Well I heard the other day from some people who  
passed this way  
They were saying you were untrue I love you baby no  
matter what you do  
They say you'll leave me and I'm just a fool  
All I'll ever be is your footstool  
But I believe oh honey right now I believe in you oh  
yeah now

They say you're bad so bad but you're the best girl old  
Jerry ever had  
Love me and leave me that's what they say I love you  
baby yeah come what may  
They say you'll leave me and it won't be long  
I'm gonna wake up one morning Lord I'm gonna find  
you gone  
But I believe oh honey right now honey I believe in you  
oh yeah  
[ piano ]  
Well they say you're just plain bad

Well honey I say this you're the best girl that I ever had  
Oh don't leave me don't leave me honey  
They say you'll soon be gone that's what they say  
Oh I'll love you baby yeah come what may  
Honey I want you to hang around here and be with old  
Jerry just one more day  
Cause I believe oh I believe I believe in you yes I believe
