I CAN FEEL IT

WRITERS KEN BELL, TERRY SKINNER

How do I know you love me How do I know you care
How do I know you're my girl When I'm not even there I
can feel it (feel it) Nobody has to tell me so I can feel it
(feel it) I feel it way down in my soul You don't have to
say you love me Or tell me I'm your man You don't have
to say a word girl To make me understand I can feel it
(feel it) Nobody has to tell me so I can feel it (feel it) I
feel it way down in my soul Girl now you best let me be
your man Something worth loving for I know where it's
coming from And I'm coming back for more I can feel it
(feel it) Nobody has to tell me so I can feel it (feel it) I
feel it way down in my soul When you put your arms
around me And when you hold me tight I can tell you're
lost around me And it makes everything alright I can
feel it (feel it) Nobody has to tell me so I can feel it (feel
it) I feel it way down in my soul I can feel it (feel it)
Nobody has to tell me so I can feel it (feel it) I feel it
way down in my soul Feel it Lord I feel it (feel it) Down
in my soul (feel it) I said down in my soul That's where I
feel it
