If I talked about the good times well they wouldn't be  
much the same  
For seldom happy mem'ries come to mind  
But if I talked about the sleepless nights that you  
brought my way  
I'd be talkin' (talkin') talkin' all the time  
For every dream that came my way a million pass me  
by  
I thought I didn't be hurtin' more and then you said  
goodbye  
If talking now of the good things would get you off my  
mind  
I'd be talkin' (talkin') talkin' all the time  
[ piano ]

Mhm for every dream that came my way..  
Honey I'd be talkin' (talkin') talkin' all the time
