If the world keeps on turning
Like I'm sure it's bound to do
Then I'll keep on loving you
Well, if the stars in heaven cease to shine down on me
And I'll keep on loving you

Well, what if things change, the sky might fall
The dawn wouldn't come, world would stall
I wouldn't care long as you're near
It wouldn't matter to me at all

If the world keeps on turning
Like I'm sure it's bound to do
Then I'll keep on loving you

Now what if things change, the sky might fall
The dawn wouldn't come, world would stall
I wouldn't care long as you're near
It wouldn't matter to me at all

If the world keeps on turning
Like I'm sure it's bound to do
Then I'll keep on loving you
