Well it's true so true I didn't do right by you
Guess I didn't know exactly what to do someday I'll
make it all up to you
Well it's true so true I didn't do right by you
Guess I didn't know exactly what to do someday I'll
make it all up to you
When we met I thought we'd be so happy that we would
be so gay
But since we met I thought we'd be so happy but now
you're gone away
Lord I'm blue so blue but baby I don't blame you
Guess I didn't know the right things to do someday I'll
make it all up to you
[piano]

When we met I thought it'd be so happy...
