JLL: Spoken

Hey! hey-hey!

Hear that lonesome whippoorwill  
He sounds too blue to fly  
That old midnight train oh, she's whinin' low  
I'm so lonesome I think I'm gonna cry

Did you ever see the night so long  
When time goes crawlin' by?  
That old moon it just went behind the cloud  
To hide it's face, hey and cry

Did you ever, ever see the robin weep  
You know when leaves begin to die?  
Well, that means he's lost the will to live  
I'm gettin' so lonesome I, I-hi could cry

You know the old silence of an old fallin' star  
Old Hank Williams said, 'It lights up a purple sky'  
Hey woman, as I wonder where you are  
Jerry Lee's so lonesome I think I'm gonna cry

(Instrumental & piano solo)

Yeah!

(Applause)
