The one that I took dancing the one that I called a baby
Walked down the aisle this morning with her old used
to be
Waitress take the band another round and tell them it's
on me
And ask them to do me one more favor please
Let that lonesome fiddle man take the lead
He gets the kind of sound that my lonely heart needs
I hear he's lost his darlin' just like me let that lonesome
fiddle man take the lead
[fiddle]
He struck a tune earlier this evening
A lonesome song called Faded Love his favorite
melody

When I hear he's lost his darlin' just like me
Let that lonesome fiddle man take the lead
