Look at that fool going home to his wife  
Look at that fool he never waits out all night  
He doesn't know what it's like to be untrue  
Wish I could've been that kind of fool

Look at that fool have one drink now he's headin' home  
Look at that fool leavin' that beautiful lady all alone  
Then go home to someone who loves him true  
Wished old jerry lee could've been that kind of fool

But I tried I can't do it darling  
Not even for you  
Woman it's not that jerry lee don't love you  
But there's just some things I can't do

Look at that fool heading home to his wife  
Look at that fool he never stays out till dawn light  
He doesn't know what it's like to be untrue  
Wished I could've been that kind of fool

But I tried I can't do it darling  
Not even for you  
Woman it's not that jerry lee don't love you  
But there's just somethings I can't do

Look at that fool have one drink now he's heading  
home  
Look at that fool he's leaving that woman all alone  
Then go home to someone who loves hom true  
Wished I could've been that kind of fool  
Lord I wish jerry lee could've been that kind of fool
