I'm in love,
I'm in love,
I'm in love with a girl,
That's what's the matter with me
I'm in love,
I'm in love, with a beautiful girl,
But she don't give a darn about me
To make her love me I tried,
How I sighed and I cried
But she just refused
And ever since she's gone away,
I've got those lovesick blues

Got the feeling called the "blue hoo's,"
Since my sweetie said "Good Bye"
Seems I don't know what to "Do Hoo"
All day long I sit and cry
That last long day we spent alone
I'm yearning for it yet
She thrilled me, filled me,
With a kind of lovin',
I never will forget, the way she called me sweet daddy"
Twas just a beautiful dream

I hate to think that it's all over I lost my heart it

Seems
I got so used to her somehow
But I'm no body's baby
Now, gee it's awful when you're lonesome
And get those lovesick blue-oo-oo-oo-oo's

Got the feeling called the "blue hoo's,"
Since my sweetie said "Good Bye"
Seems I don't know what to "Do Hoo"
All day long I sit and cry
That last long day we spent alone
I'm yearning for it yet
She thrilled me, filled me,
With a kind of lovin',
I never will forget, the way she called me sweet daddy

Twas just a beautiful dream

I hate to think that it's all over I lost my heart it

Seems

I got so used to her somehow

But I'm no body's baby

Now, gee it's awful when you're lonesome

And get those lovesick blue-oo-oo-oo-oo's
