I got a woman mean as she can be
I got a woman mean as she can be
Sometimes I think she's almost mean as me.

A black cat up and died of fright
'Cause she crossed his path last night
Oh, I got a woman mean as she can be
Sometimes I think she's almost mean as me.

She Kiss so hard she bruise my lips
Hurts so good my heart just flips
I got a woman mean as she can be
Sometimes I think she's almost mean as me.

The strangest gal I ever had
Never happy 'less she's mad
Oh, I got a woman as mean as she can be
Sometimes I think she's almost mean as me.

She makes love without a smile
Ooh, hot dog, that drives me wild
Oh, I got a woman mean as she can be
Sometimes I think she's almost mean as me
Sometimes I think she's almost mean as me
