I keep takin my music to the man  
And he still says he don't understand  
And what's puzzling me  
Is that it's so plain to see  
\*Only lies were the things he heard  
He never know what failed with his dreams  
He doesn't know what failed with his dreams

I keep takin my love to the woman  
And she still says she just don't believe  
A-but I don't understand  
Is that she warms to my hands  
The only thrill's what she wants to feel  
She doesn't know she's grieving him for me  
She doesn't know she's leaving him for me

(piano & female chorus)  
'Set me free, no one says I can't  
Set me free'

I keep takin my music to the man  
And he still says he don't understand  
And what's puzzling me  
Is that it's so plain to see  
He only cries but he thinks he knows  
He doesn't know I deal with his grief  
He doesn't know where that pain in him leads

(guitar)

I keep takin my love to the woman  
And she still says she just don't believe  
And what I don't understand  
Is that she warms to my hands  
The only thrill is what she wants to feel  
He doesn't know she's feeling it for me  
He doesn't know she's getting it from me

(guitar)

I keep takin the music to the man  
And he still says he does not understand  
And what's puzzling me  
Is what is so plain to see, only  
Lies for the things she knows  
He doesn't know why she'll let him free  
He doesn't know who I failed with his dream
