Well, if you think it's really over and if that's the way
you want it
Loving you the way that I do makes Jerry look foolish,
honey, don't it?
If you think there'll be no turning back and that all the
good is gone
Just tell me so from now on there'll be no more hanging
on

If you never really loved me, don't tell me how I killed it
Honey, if you couldn't see all the love of Jerry Lee
It's just because you didn't feel it
If it's really true you have given up, please don't make
me no excuses
I promise no more hanging on if you really think that
it's useless

There'll be no more hanging on onto dreams of happy
ever afters
No more make believe that you ever needed me
No more standing in your way of looking for that
special someone
No more wishing for what's never going to be

Oh God, I know it won't be easy, no, it can't be after
loving you so long
But if that's the way you want it, from now on there's no
hanging on
Oh, I know it won't be easy, God, it can't be after loving
you so long
But if that's the way you want it, from now on there'll no
hanging on
Oh God, there's no more hanging on
