Everybody's going out and having fun
I'm just a fool, I'm staying home and having
none
Well, I can't get over how she set me free
Oh, lonesome me

A bad mistake I'm making by just hanging round
I know that I should have some fun and paint the town
I'm a lovesick fool so blind I just can't see
Oh, lonesome me

I'll bet she's not like me, she's out and fancy free
She's flirting with the boys with all her charms
But I still love her so and buddy don't you know
That I'd welcome her right back here in my
arms

There must be some way that I can lose these
lonesome blues
Forget about my past and find someone new
This lovesick fool and blind just can't see
Oh, lonesome me, yeah

I'm gonna bet she's not like me
That woman, she's out and fancy free
She's flirting with the boys with all her charms
But I still love her so, buddy don't you know

I'd welcome that woman right back here in my
arms, arms, arms, arms
There must be some way that I can lose these
lonesome blues
Forget about my past and find someone new
I'm a lovesick fool and blind, just can't see

Oh, lonesome me
Oh, lonesome me
Oh, lonesome me
