There's a jumpin' little joint out in West Nashville  
If the barbecue don't get you where the music will  
It's called Pee Wee's Place and they're open from nine  
till dawn  
If you drop by, brother, there's some shakin' goin' on

We get all kinds of people as the night goes on  
Rednecks and the hippies, both are right at home  
Politicians, truck drivers, factory workers too  
You can be a cop out here don't matter what you do

We gotta four piece band and we play real loud country  
soul  
While rockin' and we be so proud  
Let me play and sing, do what we want to do  
Oh, the crowd all love us when we're rockin' boogie  
woogie too  
Let me rock it for you now

Hey, go, hey, hey, in other words by the bar  
And drink corn liquor from an old fruit jar  
That's what it's all about whip this little yo yo  
Well, he just got out of jail, the boy's movin' kind of  
slow  
Blow your harp, boy

Pee Wee's place raising hell, he thinks the band is too  
loud  
He's a bitchin' too much 'cause he's drawing a crowd  
Pulling a lot of good music and a whole lot of shaking  
going on  
Out at Pee Wee's Place where you can get it all night  
long  
Play your guitar, son

Oh, let it roll, let it roll, all night long  
Let it roll, let it roll, all night long  
Let it roll, let it roll, all night long  
Give it to me, give it to me all night long  
Come on now give it to me all night long

Boogie Woogie going to get you and if that ain't good

enough  
Jerry Lee's going to show you how to get real tough  
Out at Pee Wee's Place, we're hangin' in all night long  
Hey, give it to me, baby, there's some sha-sha-shaking  
going on  
Give it to me now, go
