Mornings come and Lord my mind is achin'yes it is

Sunshine standing quietly at my door

Just like the dawn my heart is silently breaking

With my tears it goes tumbling to the floor

Once againthe whole town will be talkingyes
they will

And Lord I 've seen the pity that's in their eyes

They could never understand it's her sorrow it's not a
man

No matter what they say we know she tried

Babys packed her soft things and she's left me.....
she's left meshe's left me

And I know she didn't mean to make me cry

It's not her heart Lord it's her mind

She didn't mean to be unkind Why she even woke me
up to say goodbye

It's not her heart Lord it's her mind

She didn't mean to be unkind why

She even woke me up to say goodbye

Goodbye Baby
