STRANGERS IN THE NIGHT

WRITERS BERT KAEMPFERT, CHARLES SINGLETON,
EDDIE SNYDER

Strangers in the night exchanging glances Wond'ring
in the night What were the chances we'd be sharing
love Before the night was through. Something in your
eyes was so inviting, Something in you smile was so
exciting, Something in my heart, Told me I must have
you. Strangers in the night, two lonely people We were
strangers in the night Up to the moment When we said
our first hello. Little did we know Love was just a glance
away, A warm embracing dance away and..... Ever
since that night we've been together. Lovers at first
sight, in love forever. It turned out so right, For
strangers in the night. La da da da da.
