One two, one two

This ol' smoke filled bar is somethin' I'm not used to  
But I gave up my home to see you satisfied  
And I just called to let you know where I'll be livin'  
It's not much but I feel welcome here inside

And I've got swinging doors a jukebox and a barstool  
And my new home has a flashing neon sign  
Stop by and see me anytime you want to  
'Cause I'm always here at home till closin' time

I've got everything it takes to drive me crazy  
And I've got everything it takes to lose my mind  
And in here the atmosphere's just right for heartaches  
Come on by I'm singing round most anytime

And I've got swinging doors a jukebox and a barstool  
My new home has a flashing neon sign  
Stop by, see me anytime you want to  
'Cause I'm always here at home till closin' time  
'Cause I'm always here at home till closin' time
