you're the one rose that's left in my heart dear
woman I love you, I adore you, I do

baby each night in dreamland I am wondering
sweetheart
telling love stories all anew

from out the blue sky dark clouds came rollin'
they were breaking Jerry Lee's heart right in two
don't leave me alone I love only you
hey girl you're the one rose that's left into my heart

instrumental
Mr. Johnny Mc Koy
Mr. Kenneth Lovelace coming in now
that ol' killer do a little bit for you

hey girl you know you're the one rose that's left in my
old heart dear
I love you, I adore you, I do
honest I do

Baby each night in loveland I am wondering sweetheart
telling love stories all anew

from out of the blue sky thunderstorms came colling
they were breaking jerry lee's old heart in two

don't leave me alone I love only you
you're the one rose that's left
hey girl you are the one rose that's left in my heart
