Well, I wish, I be come back to you dear
I know that you want me to
But too much rivers have run under that old bridge
And there's too many rivers between me and you

There's too many rivers to cross dear
Ohh, there's too many long nights I've turned and
tossed, too
There's too much waters run under that old bridge
Ahh, but there's too many rivers between me and you

Now, don't think for a moment, I blame only you
We both killed the love on the vine
Ain't no way to go back darlin' and try it again
There's just too many pieces, of luck too weak to judge
the game, goodbye

There's too many rivers to cross daily
Too many dreams fell like logs
And there's too much water run under that old bridge
There's too many rivers between me and you
