Today I can feel it touching home

Today pain became a real life hurting thing
And the choir of loneliness sang me a song
Now I know just what it means to lose a lifetime dream
'Cause today, I can feel it touching home

No longer do I wonder, why men have lost their minds
Or wind up in a jungle of flashing neon signs
Now I know just how long a man can last when love is
gone
'Cause today I can feel it touching home

No longer do I wonder, why men have lost their minds
Or wind up in a jungle of flashing neon signs
Now I know just how long a man can last when love is
gone
'Cause today I can feel it touching home
'Cause today I can feel it touching home

Yes, I can baby
