Well I hear through the grapevines that your blue eyes
have been rainin'
Well I cried for you when you left me alone
Darlin' don't say I didn't tell you so
But baby we both know which one of us was wrong
They say you wanted many oh but they say you still
play our favorite song
Darlin' now I'm not sayin' that I told you so ha ha
But we both know baby we both know baby which one of
us was wrong
Who told who that we were tearin' down once in a
lifetime on
And it would be too late to be sorry later on
Baby don't tell Jerry didn't tell you so
Cause we both know honey which one of us was wrong
[piano]

Who told who that we were tearin' down once in a
lifetime on
Who told who that it would be too late to be sorry later
on
Darlin' no I ain't gonna say that I told you so
We both know we both know baby which one of us was
wrong
