Well, It's late and she's waiting
And I know I should go home
But every time I start to leave
They play another Jerry Lee song, yes they do

Somebody'll buy another round, yeah, yeah
And with every drinks are free
What's made Milwaukee famous
Has made a fool out of me

Baby's begged me not to go
A thousand times before
She says love and happiness
Just don't live behind those swinging doors

Now she's gone and I'm to blame
Too late, I finally see
What's made Milwaukee famous
Has made a loser out of me, yeah, yeah

Baby's begging me not to go, don't go Jerry
So many times before
She says love and happiness
Can't live behind those honky tonk doors

Now she's gone, she's gone and I'm to blame
You're to blame Jerry
Yeah, I finally see, oh yeah
What's made Milwaukee famous
Has made a loser out of me

What's made Milwaukee famous
Has made a loser out of me, yeah, oh yeah
