Someday you'll feel a trembling in your knees
When time has changed the fashions of his dreams
Then you'll grow weak from holding on the love that
wants to leave
When he walks on you like you have walked on me
When you wake up without him please remember
A faithful heart of your old used-to-be
With happy tears and open arms I'll welcome you
sweetheart
When he walks on you like you have walked on me
[steel]
When you wake up without him...
When he walks on you like you have walked on me
