After you get rid of me  
Who will the next fool be?  
But I know, I know  
There's things I've got to know  
About the girl I love so

After all is said and done  
You won't be satisfied with anyone  
After you get rid of me  
Who will the next fool be?

Will he believe all those lies  
And end up like me with tears in his eyes  
I know, I know, I know, I know  
There's things I've got to know  
About the girl I love so

After all is said and done  
You won't be satisfied with anyone  
So after you get rid of me  
Who will the next fool be?

Will he believe all those lies  
And end up like me with tears in his eyes  
But, I know, I know, I know, I know, oh I know  
Lord, I've got to know about the girl I love so

After all is said and done  
You won't be satisfied with anyone  
After you get rid of me  
Who will the next fool be?

Lord, after you get rid of me  
Who will the next fool be?
