Who's gonna play this ol' piana

After I'm not here?

Who's gonna sing these sad songs to you

Cause your eyes to fill with tears?

Who's gonna keep these ivories talking

Like Jerry's doin' now?

Who's gonna play this ol' piano

After my last bow?

When that final curtain calls

Someday lord it will!

Who'll take my place on that stage

When everything is ah hushed and still

Who's gonna touch these keys with feeling?

Really get to you

Who's gonna play this ol' piano

When my time is through

The killer ain't through yet though baby!

instrumental solo

We've laughed and you know we've cried together

Done a million shows

So I kinda think like I

Have every single right to know

Who's gonna keep this music going?

Who's will carry on?

Who's gonna play this ol' piano

After the Killer's gone?!

Give it to me boy!
