You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know, dear, how much I love you
Please don't take my sunshine away

The other night, dear, as I lay sleeping
I dreamed I held you, held you in my arms
But when I awoke, dear, I was mistaken
[Incomprehensible]

You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know, dear, how much I love you
Please don't take my sunshine away

I'll always love you and make you happy
If you could only ooh, feel the same
But in your heart, dear, oh, you love another
And you have shattered all of my dreams

You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know, dear, how much I love you
Please don't take my sunshine away
So please don't take my sunshine away
