Make believe you baby
This is a black top road running to a gravel road
Then a sand top road and I'll be gone

Oh baby, you don't have to go
Oh baby, yeah, you don't have to go
I give you all my money now, down the road I go

I got nothing else to left
Oh baby, what you gonna do?
Oh baby, now honey what's wrong with you?

No problem girl
Well you don't treat me right, darlin'
Like you used you do

Hit them, Neil young

Well, I gave you all my money, you go downtown
Get back in the evening
Told me that you walk around

Oh baby, girl you don't have to go
I'm packin' up darlin' and down the road I go
I'm leavin' baby

Neil Young, I'll show you one more trick
I'll gave you all my money then you go downtown
And you're back in the evening, told me walk downtown

Oh baby, oh baby, you don't have to go
Pretty baby you don't have to go
I'm gonna pack up darlin', I'm packin' up, down the
road I go

Oh baby, honey, what's wrong with you?
Talk to me girl

Oh baby, honey, what's wrong with you?
Well, you don't treat me darlin'
Like you used you do

Jerry Lee Lewis is packin' up darling
Down the mother humpin' road I go
I can catch your number now baby
