The news is out all over town  
That you've been seen out runnin' around  
I know that I should leave, but then  
I just can't go,  
You win again  
This heart of mine could never see  
what everybody knows but me  
Just trusting in you was my great sin  
What can I do?  
You Win Again  
solo  
Yes this heart of mine could never see  
what everybody knows but me  
Just trusting you was my great sin  
What can I do?  
You Win Again
