BREATHLESS

Jerry Lee Lewis

(Ottis Blackwell)

Now, if you love me,

let's please don't tease

If I can hold you then

let me squeeze

My heart goes 'round and 'round

My love comes tumblin' down

You leave me (breathe out...) (whisper:) Breathless

Oh, I shake all over and

you know why

I'm sure it's love and

that's no lie

'cause when you call my name

I burn like wood inflamed

You leave me (breathe out...) (whisper:) Breathless

Oh, baby! Mm-mm. Crazy!

You're much too much

I can't love you enough

Now it's all right to hold me tight,

but when you love me

love me right

Now, come on, baby

Don't be shy

'cause love was meant for you and I

Wind, rain, sleet or snow

I will be wherever you go

You leave me (breathe out...) (whisper:) Breathless
