She's a long-legged woman dressed in black,  
dressed in black, dressed in black,  
dressed in black, black, black  
She's a long-legged woman dressed in black,  
dressed in black, dressed in black,  
dressed in black, black, black

Chorus:

Every time I make a move, she tell me no (repeat 3  
more times)

Yeah, she knows how to move, how to rock  
How to rock, how to rock, how to rock, rock, rock  
Yeah, she knows how to move, how to rock  
How to rock, how to rock, how to rock, rock, rock

Chorus

Bridge

And she's stoned like a flash in the night  
In the night, in the night, in the n-, ni-, night  
And she's stoned like a flash in the night  
In the night, in the night, in the n-, ni-, night

Every time I make a move, she tell me no  
Every time I make a move, she tell me no  
Every time I make a move, she tell me no  
Every time, every time, every time, every time, every  
time, every time  
Whoa!

She's a long-legged woman dressed in black,  
dressed in black, dressed in black,  
dressed in black, black, black  
She's a long-legged woman dressed in black,  
dressed in black, dressed in black,  
dressed in black, black, black

Every time I make a move, she tell me no  
Every time I make a move, she tell me no  
Every time I make a move, she tell me no (repeat to
