Six foot six he stood on the ground  
Weighed two hundred and thirty five pounds  
But I saw that giant of a man brought down  
To his knees by love

He was the kind of man that would gamble on luck  
Look you in the eye and never back up  
But I saw him cryin' like a little whipped pup  
Because of love

Can't see it with your eyes hold it in your hand  
But like the wind that covers our land  
Strong enough to rule the heart of any man  
This thing called love

It can lift you up, it can let you down  
Take your world turn it all around  
Ever since time nothings ever been found  
Stronger than love

Most men are like me they struggle in doubt  
They trouble their minds day in and day out  
Too busy with livin' to worry about  
A word called love

But when I see a mother's tenderness  
As she holds her young close to her breast  
Than I thank God this world's been blessed  
With a word called love

Can't see it with your eyes hold it in your hand  
But like the wind it covers our land  
Strong enough to rule the heart of any man  
This thing called love

It can lift you up, it can let you down  
Take your world turn it all around  
Ever since time nothings ever been found  
Stronger than love
