Well girl you're fine on my mind all the time fine on my
mind all the time

I never met a woman quite like you and all the sweet
things you do

Stay fine on my mind all the time

My papa said someday boy true love's gonna come
your way

Someday some woman's gonna love you right out of
your mind

You'll lose your appetite it won't be able to sleep at
night

For thinkin' bout some woman all the time

Well girl you're fine...

[ac.guitar]

Well if papa could just see me Lord I know how tickled
he'd be

To know some woman got me talkin' to myself

And it's been like this since it come first time we kissed

I can't seem to think about nothin' else

Yes girl you're fine...
