Look somewhere above her, pretend you don't love
her,
Pretend you don't see her at all.

Pretend you don't see her, my heart,
Although she is coming our way.
Pretend her you don't need her, my heart,
But smile an pretend to be gay.

It's too late for running, my heart,
Chin up if the tears start to fall.
Look somewhere above her, pretend you don't love
her,
Pretend you don't see her at all.

Pretend you don't see her, my heart,
Although she is coming our way.
Pretend her you don't need her, my heart,
But smile an pretend to be gay.

It's too late for running, my heart,
Chin up if the tears start to fall.
Look somewhere above her, pretend you don't love
her,
Pretend you don't see her at all.
