There she goes
She's walking away
Each step she takes
Brings heartaches my way

He's won her heart
I lost her some way
There she goes
She's walking away

If I hadn't cheated
If I hadn't lied
I'd be the one who's
Walking by her side

I love her still and
I guess that it shows
She's walking away
There she goes

There she goes
She's walking away
Each step she takes
Brings heartaches my way

If I hadn't cheated
If I hadn't lied
I'd be the one who's
Walking by her side

I love her still and
I guess that it shows
She's walking away
There she goes

There she goes
There she goes
