Well, I'm-a gonna buy
You a diamond ring
A diamond ring and
Put it on your finger

Bells will chime
(Ring, ring, ring)
Little birds will sing
(Sing, sing, sing)

Dime dummy dooby
Dime dummy dooby
Diamond ring

It's gonna sparkle
It's gonna shine
It's gonna make me
Know you're mine

Nothing else
Will mean a thing
Just you and me
And that diamond ring

Well, I'm-a gonna buy
You a diamond ring
A diamond ring to
Show you're my lover

You're my all
(Ring, ring, ring)
You're my everything
(Sing, sing, sing)

Dime dummy dooby
Dime dummy dooby
Diamond ring

It's gonna glitter
It's gonna glow
And our little love
Will grow and grow

All the joy
That it will bring
When I buy you
A diamond ring

And after I bought
You a diamond ring
A diamond ring and
There can be no other

When you smile
(Ring, ring, ring)
My head goes ding
(Zing, zing, zing)

Dime dumby dooby
Dime dumby dooby
Diamond ring

Oh, diamond ring
Dime dumby dooby
Dime dumby dooby
Diamond ring

Diamond ring
Diamond ring
Diamond ring
