If you leave me  
Take my heart  
Take my heart

If you leave me tonight  
I will cry  
Though you say we will  
Soon meet again

For the hours I've  
Spent here with you  
Are like words  
From a poet's pen

Words like love and  
Truth and goodness  
Words like til  
Death us do part

I will never love another  
Take my heart, take my heart  
Take my heart (take my heart)

Yes, the hours I've  
Spent here with you  
Are like words  
From a poet's pen

Words like love and  
Truth and goodness  
Words like til  
Death us do part

I will never love another  
Take my heart, take my heart  
Take my heart (take my heart)

Take my heart, take my heart  
Take my heart (take my heart)
