I don't care if the skies are cloudy
Long as you're with me
It's a fine and dandy
Cotton candy world I see

Many times
When I'm feeling lonely
You come into view
It's a fine and dandy
Cotton candy world with you

You are the prize I won
You're the apple on the stick
You're the one I have to pick
You make my heart go
Tick, tick, tickety tick

Every day is a day of wonder
Never, ever blue
It's a fine and dandy
Cotton candy world with you

I don't care if the skies are cloudy
Long as you're with me
It's a fine and dandy
Cotton candy world I see

You are the prize I won
You're the apple on the stick
You're the lollipop I lick
You make my heart go
Tick, tick, tickety tick

Every day is a day of wonder
Never, ever blue
It's a fine and dandy
Cotton candy

Fine and dandy
Cotton candy
World with you
