Life's a holiday
Just a holiday
Life's a holiday with you

A million things to say
Tonight, you'll have to stay
Life's a holiday with you

Life's a holiday with you
A dreamer's holiday
A lover's holiday with you

You thrill me when you speak
You make my knees grow weak
Life's a holiday with you

You bring me
Spring in the winter
Summer in the fall
Bells keep ringing when
There's no bells at all

I love you, darling
I always will
You give my heart
A great, big thrill

Life's a holiday
Just a holiday
Life's a holiday with you

A million things to say
Tonight, you'll have to stay
Life's a holiday with you

You bring me
Spring in the winter
Summer in the fall
Bells keep ringing when
There's no bells at all

I love you, darling

I always will
You give my heart
A great, big thrill

Life's a holiday
Just a holiday
Life's a holiday with you

A million things to say
Tonight, you'll have to stay
Life's a holiday with you

Life's a holiday with you
Life's a holiday with you
Life's a holiday with you
