"Swingin' Down The Lane"

Everybody hand in hand
Swinging down the lane
Everybody feeling grand
Swinging down the lane

That's the time I miss the bliss
That we might have known
Nights like this when
We're all alone

When the moon is on the rise
Baby, I'm so blue
Watching lovers making eyes
Like we used to do

When the moon is on the wane
Still, I'm waiting all in vain
Should be swinging down
The lane with you

When the moon is on the rise
Baby, I'm so blue
Watching lovers making eyes
Like we used to do

When the moon is on the wane
Still, I'm waiting all in vain
Should be swinging down
The lane with you

With you, with you...
