Die, die

Running through the night, your screams are my
delight

Torture is my game, fucking you insane
Warped is my brain, people I do maim
Breaking bones for fun, see the bleeding run

Stabbing, I mutilate, die, die
Bodies filled with hate
Ripping out your soul, die, die
Burning in hell's hole

Smashing through your skull, die, die
Pulling entrails from
Bleeding carcass in hell, die, die
The devil I do tell

Killing and making pain
Death is my game
Terror sure to find deep
Within your mind

Stabbing, I mutilate, die, die
Bodies filled with hate

Ripping out your soul, die, die
Burning in hell's hole

Smashing through your skull, die, die
Pulling entrails from
Bleeding carcass in hell, die, die
Devil I do tell

Ripping flesh from bone, loosing all control
Slaughtering innocent victims, breaking holy rules
Bastard of the world, killing all the time
People are to rip, I never, never sleep

Die [unverified]

Stabbing, I mutilate, die, die

Bodies filled with hate
Ripping out your soul, die, die
Burning in hell's hole

Smashing through your skull, die, die
Pulling entrails from
Bleeding carcass in hell, die, die
Devil I do tell
