hmmm...

A gift to men you are  
How can someone hurt you?  
He took your heart  
And played with your mind  
Now you think you can't love again

Iâ€™m standing here waiting for you  
I wonâ€™t give up on you  
I know it hurts but itâ€™s over now (babe)  
Iâ€™ll just wait for you lady

If you need some time for your heart to mend  
Donâ€™t worry baby (Iâ€™ll wait right here)  
When you think its time  
To try to love again let me know when (Iâ€™ll be right here)

Just like a sunflower youâ€™re so beautiful, ooh  
Every night I pray that one day we can be together,  
ooohhh

Iâ€™m standing here waiting for you  
I wonâ€™t give up on you  
I know it hurts but itâ€™s over now

Iâ€™ll just wait for you lady

If you need some time for your heart to mend  
Donâ€™t worry baby (Iâ€™ll wait right here)  
When you think its time  
To try to love again let me know when (Iâ€™ll be right here) 2x

Iâ€™m standing here waiting for you  
I know it hurts but its over now  
Iâ€™ll just wait for you lady

If you need some time for your heart to mend  
Donâ€™t worry baby (Iâ€™ll wait right here)  
When you think its time

To try to love again let me know when (Iâ€™ll be right here) 4x

If you need some time for your heart to mend  
When you think its time to try to love again  
If you need some time for your heart to mend
