I wanna tell you my true confessions
Of what i been going through
It's love and war
I tried to lie to myself, my eye's caught the truth
It's love and war
It was callin me home from the way things use to be
Sayin jerzee be more much sweeter please
It's love and it's war
It's war and it's love
Chorus:
True confession of love and war(4 times)

Turning down love over material things
I know that these things aren't everlasting
Cause love will be here
And love will be there when we're passing
(it's love and war)
So never give up and never give in
You gotta stay strong
Keep pushing
It's love and it's war
(it's love and war)
It's war and it's love
(talking)

Chorus to the end of the song
