One day

One day about six 'o clock I'm woke up  
By the sound of my buzzer and a car or a truck  
Screechin' off, so I jump up, scratch my nuts  
But when I'm like, "Who's that?" Nobody speaks up

So I go to the door, there's a note it says  
"We have Hip-Hop hostage with guns to his throat  
Do the right thing and we might let him go  
But if you call the police", that's all she wrote

You know what the motive is, it's all about dough  
And in case ya think we bullshittin' here's the photo  
I couldn't recognize the clowns because they was all  
hooded down  
But I peeped Foxy Brown sippin' Cristal in the  
background

With fake alligator boots on and smack dab in the  
middle was Hip-Hop  
With a Versace suit on, I immediately called Primo  
I said "Hip-Hop is in trouble, meet me at my rest on the  
double  
Don't even jump in the shower, matta'fact scratch my  
rest  
Meet me and D & D in an half an hour  
And bring all ya shit wit' you 'cuz you know what we got  
to do"  
Yo Afu  
(Whassup?)  
Let's jetson like Elroy

If I recall correctly, I last saw Hip-Hop down at Bad Boy  
We'll see if Puff knows whassup  
'Cuz he's the one gettin' him drunk and fuckin' his mind  
up  
We go to the office, he's nowhere to be found

So we snatch up Jay Black and beat his bitch ass down  
"Now where's Hip-Hop?", "Aaight, aaight", he  
confessed

"Suge came and took him from Puff last night  
He said, he'd give him up if a real nigga came to  
retrieve 'em"

So we went to L.A. later that evenin'  
When we got there, everything was aaight  
And we brought Hip-Hop back home that night  
One day
