Well Prophet, it seems like you're in a bit of a jam  
I hope you can unstick yourself  
Oh, and what you did to my wife  
It was nothing, I have others  
The Saga Continues

It's been a while since I escaped the library  
Fightin' ignorance every day, it's gettin' weary  
When I think I got him, he pulls a slip on me  
And there's so many soldiers in his fiendish ass army

One of the fiercest, is this nigga named Tricknology  
The last time we met, he got the drop on me  
Shit happens so fast he even got some of my family  
Blasted my way up out the building when I catch him,  
I'ma kill him

Track him uptown, where I hear he's lyin' to children  
1 2 5th's the stop, go outside I hear gunshots run up  
the block  
Greedy Lou's dead in front of the materialistic crack  
spot  
Trick's yellin' out, "This is my block"

I would've hit him, but I didn't have a clear shot  
An innocent bystander might get popped  
Damn, a small thang 'cause the Prophet still can't be  
stopped

What? That's right, this is my motherfuckin' life  
Tricknology, you know what I'm sayin'?  
You know me, you can't front on me

I'm in a fucked up position but if he squeezes again,  
I'ma lift 'em  
A few seconds later now here comes the siren  
Oh shit, it's the pork chop patrol their on Ignorance's  
payroll  
And they only came to hold

Tricknology down, scoop Greedy Lou off the ground  
Throw him in the back of a truck one yells

“What the fuck nigga ya lookin' at? Now get the fuck outta here”

Then I get that feeling that I feel when danger is in the air

Then out of nowhere one yells out, "The Prophet's over there"

Immediately following mad lead is in the air  
Pigs are all posted up like they knew I'd be here  
I'd go for what I know but shit they're everywhere

Through in the back and forth my gun gets lost  
But I managed to get one high powered thought off  
I split 6 pigs that got sawed off  
As their bodies break south I proceed to break north

Now shit is lookin' dim and you'd think all maybe lost  
But the Prophet won't go out at any cost  
You can never stop the Prophet

[Incomprehensible]

Unit's 1 and 2, unit's 1 and 2 the Prophet has been sighted

If you see him kill him  
Can't a damn thing stop me

I head toward the train station  
My force did stop most of the ammunition  
Still I need medical attention  
But I'm not bitchin', gettin' Ignorance is my mission

All of a sudden Greedy Lou comes creepin'  
Around the corner talkin' 'bout Prophet you're a gonner  
We knew you followed Trick uptown because you wanna  
Get rid of Ignorance but that don't make no sense  
He runs the world I know this from experience

Why don't you come and work wit us  
You'll see the boss' game is nice  
That night Greedy Lou died twice

Now I'm wanted, pork chop patrol has a warrant  
But that still can't stop the Prophet

Here ye, here ye  
The court of Ignorance is now in session  
We, judge and the jury find the Prophet  
Guilty in the murder of Greedy Lou  
One of our close personal homeboys  
So for that the sentence is death

When you find him execute him
