My brain came back from the laundromat
But nothing comes clean in the wash
Behind the front of the backest lash
someone's selling out with my trash
What's wrong with this dreamland picture?
My crayons just ain't the same
A little van gogh goes a long long way
'cos any bad habit's worth giving away
This is the porning of america
And it's sucking the life out of me
It's only twelve steps to conformity
Or have you become too blind to see
Attitude adjusment
Gotta get a little bit of therapy
To straighten it out
Attitude adjustment
Better get your head
Right out of the clouds
If you're not part of the pleasure
You must be part of the pain
The wide eyed had their innocence

Beaten into submission again
With all this male macho bondage crap
All you hypocrites come on down
I'm left to hang in this infinity
And judgemen's the man wearing the crown
Attitude adjusment
Gotta get a little bit of therapy
To straighten it out
Attitude adjustment
Better get your head
Right out of the clouds
Gotta get some attitude adjustment
Gotta get a litle bit of aa
To straighten it out
Attitude adjustment
Better get your head
Right out of the god damn clouds
