Jelousy

Sometime I wonder if I will ever  
Have what you have then I  
Begin to get so jelous

Chorus:

Jelousy take you no where  
Jelousy can make you feel bad  
Jelousy is not good for your soul  
Jelousy can hurt you

When you come to me bragging  
About evrything I feel so jelous I want to  
Have what you have everything I did failed  
I never succeded now I am trying to beat you in  
Everything, so I get jelous cuz ican't get what you  
Have what can I do to tell me I wanna be more like you I  
I get jelous when you hanging with your friends and  
have no one  
To be with what can I do tell me I wanna be more like  
you

Chorus:

Jelosy takes you no where  
Jelousy can make you feel bad  
Jelousy is not good for your soul  
Jelousy can hurt you  
Jelousy is really really bad

Sometimes when I try to dream of me you poof out  
nowhere  
An take my spot light anything I try to do you steal away  
from  
Me, when I look in the mirror I see a loseeeer but then  
you  
Come out of nowhere and brighter the room, everyone  
wants you  
Not me everyone love you but not me then I begin to  
get so jelous

Chorus:

Jelousy take you no where  
Jelousy can make you feel bad  
Jelousy is not good for your soul  
Jelousy can hurt you  
Jelousy is really really bad
