I've made up my mind
I'm leavin' this town
I'm leavin' this town
You won't find me look around

After twenty years of carvin'
My name in the wet cement
Hang your head down and lament
You won't find me look around

Baby boy, baby boy, don't follow me
I'm a seed, I'm a seed, I'm a seed
From a dandelion wish with intent to be big fish
In the sea, in the sea, in the sea

I've made up my mind
I'm leavin' this town
I'm leavin' this town
You won't find me look around

After twenty years of carvin'
My name in the wet cement
Hang your head down and lament
You won't find me look around

Baby boy, baby boy, set me free
Don't sabotage, don't hide away my key
I'm a lark inside a cage and the world is but a stage
For to sing, for to sing, for to sing

I've made up my mind
I'm leavin' this town
I'm leavin' this town
You won't find me look around

After twenty years of carvin'
My name in the wet cement
Hang your head down and lament
You won't find me look around

I'm a dandelion wish with intent to be big fish
In the sea, in the sea, in the sea

In the sea, in the sea, in the sea
In the sea, in the sea, in the sea
In the sea, in the sea, in the sea
