Red ribbon on which we ride
Carry us over horizon as the sun setting
Night puts on a phantom cloak
Sing violet light and evoke
The protection that violet evokes

Fasten your focus on your soul
'Cause is your fruit and flowers on
Red ribbon swift justice comes
Delivery white bone demon

Oh, oh
Begun my havoc in heaven
Oh, oh
Begun my havoc in heaven

Deep, deep in a green sea
There is a weapon for me
A pin that is fixing the sea
A pillar of gold shiny
And if I can pull it free
The cudgel is coming with me

Fasten heave ho, pillar of gold
Runs through the deepest darkest stone
Cudgel undone, weighing one ton
Bring on your force white bone demon

Oh, oh
Begun my havoc in heaven
Oh, oh
Begun my havoc in heaven

Don't believe your eyes
When the maiden does arrive
You fool, she is the enemy
And do not trust
The guise of a woman old and wise
For truly, she is the white bone demon

Dance makaku's 'round the fire
Warrior drum, banshee crier

Call to them visions of her pair
Filled by the demons throne
We shall subdue her to bone
And ashes to ashes her home

Fasten your focus on your sole
'Cause is your fruit and flowers home
And in one blow I smite down my foe
And ashes to ashes welcome home

Oh, oh
Begun my havoc in heaven
Oh, oh
Begun my havoc in heaven

Oh, oh
Begun my havoc in heaven
Oh, oh
Oh, oh
Oh, oh
Oh
