The night before the night she came  
katrina the hurricane  
ohhh was calm  
calm for a land untame  
that spill the boarders of new orleans  
ohhh was calm  
the plow boys play their old favorite "the city's on  
parade"  
on parade  
but deep in the heart of  
the ocean  
their beds were made

love me know  
now is all we have  
love me now love is all we have

the rains that came  
with the force of a runaway train  
ohhh run away  
and the waters rose and the levies the levies  
broke  
ohhh run away  
and the cradle broke my beloved

the cradle broke  
i must stay  
for deep in the heart of our home  
my beloved washed away

love me know now is all we have  
love me now love is all we ever really had

the old church bell  
is in the graveyard  
the old church bell  
ohhh lace and stone  
the naked feet  
pound the pavement  
of nameless streets  
ohhh faceless homes  
but deep in the heart of

the american  
a prayer for new orleans  
love me know now is all we have  
love me now love is all we ever really had
