Ba ba ba ba ba ba  
(3x)

Flowers start to bloom in ever different hue  
From violet to pink and blue

I can feel a change, no I am not the same  
I'm lucky to be here with you

Chorus  
This feels right feels so bright bright  
All the world somehow starts to shine shine  
With you by my side  
Life is rosy

Ba ba ba ba ba ba  
(3x)

Shades of green melt into tangerine  
I watch the sun, it's setting in your eyes  
Can you tell I'm wrapped up in your spell  
Yeah, it's all good and well  
I think I realize

Chorus  
Beautiful yeah it's so wonderful  
Oh, darlin' don't you know  
That life is rosy  
(2x)

Hey, look at my heart  
I think it's the start of something new  
Hey, I finally see that life is rosy

Chorus  
Beautiful yeah it's so wonderful  
Oh darlin' don't you know  
That life is rosy  
(2x)
